CLASS/TEAM TUITION is charged in 5 installments during school year and may be pro-rated according to start date. Installments are charged on August 1st (or time of registration) and the remaining payments are auto-charged on the dates listed below. Please note specific deadline due dates! There is a \$10 late fee added to delinquent payments past 10 days. Out of courtesy and time to contact wait-listers, we ask for 14 days advance WRITTEN notice if you wish to withdraw from a class. Transfers permitted if class is not waitlisted. Students who enroll in 2nd class receive a 20% discount off the second tuition. Teams are a FULL-year commitment.
