Refunds and Cancellations

Staff is hired and supplies are bought and prepared based on # of enrolled children in each age group. In order to prepare a first-rate "out-of-this-world" camp experience for your child, Champions Academy devotes an extraordinary amount of time and effort to plan/purchase age-appropriate crafts and activities with each specific child in mind. On that note, we hope you will understand that our refund policy is as follows:

- If space is available, we would be glad to transfer their registration to another camp week.
- If you notify us of a cancellation two weeks or more prior to your scheduled camp week, you'll receive a 50% refund.
- In the event of a cancellation with less than a two week notice, we will not be able to give a refund.

Thanks for your cooperation and understanding in helping us make Champions Academy CCA CHEER camp a great experience for your child!
